Reports:

Delegate:

not much happening but Conference is coming up soon (November).

As I will now be attending Conference this year, as my final year, we face the challenge of deciding between two excellent candidates for the position of Eastern region Trustee.

I am looking forward to Conference 2018 and to Handing the "Baton" to the next Delegate in February, which may allow me to attend more A.A functions such as rallies etc. having said that I have thoroughly enjoyed the experience of Delegate over the last 3 years and have found it a growth spurt in my A.A and personal life.

Andrew Millar

Area C Delegate

Eastern Region

Secretary:

There is nothing to report.

DCM Reports:

Newcastle District:

In recess

Central Coast District:

There is no one here present to represent the district.

Port Stephens & Hunter District:

The 'Steps at Stocko' meeting is now closed. There is a new meeting 'Conscious Contact Group' which meets at the Williamtown Hall, 9.30am on Sundays. Tarro Young at Heart group is hosting guest speaker Bob D (from Las Vegas) on Thursday 18th October 2018 starting at 7.30pm. The annual Hunter Homeless Connect Day was on 25th July and AA had a stand there, the day was a success with AA receiving a certificate of appreciation which is now located in Newcastle's CSO. Newcastle's CSO is thinking of changing its operating hours to 10am – 2pm, the CSO is still looking for volunteers. The Port Stephens & Lower Hunter District will be hosting a Public Information night in March 2019, more details are to come.

AA members visit the outpatient maintenance program at the McCauley Unit at the Calvary Mater Hospital fortnightly on Wednesdays. Members must be at least 12months sober. Attending clients range from 2 – 8, Dianne D is the coordinator.

AA women members visit Miruma Diversionary Program at Cessnock Correctional Facility fortnightly on Fridays. Members must have at least 6 months sobriety. Kati D is the current coordinator but is wanting to hand over the position. If any women would like to either be the coordinator or is available to be on the roster please let Kati know. Groups have donated literature to Miruma including pocket Big Books & Daily reflections, literature is needed to be

supplied every 6 – 12 weeks as the rotation of women is high and they enjoy keeping the literature with them to take home.

Newcastle is hosting the 2018 NEWYPAA convention October 6 & 7, there was a very successful trivia night on 11th August. Groups in the district have been donating to the NEWYPAA account which has helped significantly. The NEWYPAA committee encourages anyone who is interested in attending the convention to register early to ensure they can get their free merchandise pack, registrations can be done online at www.newypaa2018.com

Yours in service, Kati D (Port Stephens & Lower Hunter District Committee Member)

General Business:

1. There is an intention that hopefully there will be a new district formed before the next area meeting which will be the Peninsular District.
2. At each year's Conference we, as an Area, are asked if our Area would like to put in a bid for several service things.
 - a) National Convention 2022 – Unanimous decision was voted no
 - b) Eastern region forum 2019 – Voted yes by 6
 - c) P.I and C.P.C National Forum – Unanimous decision voted no
3. Eastern Region Trustee applicants – We can not endorse 2 applicants because they have not been involved in Area C for the past 1 ½ years and neither are present at today's Area Assembly to answer any questions (Voted by 8)

Next Meeting: 22nd September at 12pm at Battley Ave, The Entrance Community Centre (Special topics for conference meeting)

17th November for post conference, 12pm Newcastle CSO 1a Dixon St, Hamilton

Meeting Closed at 2.10 pm (With Serenity Prayer)
